

Become an Imagination Library Champion!

**Individuals - Civic Groups - Organizations
Sunday School Classes - Clubs**

Dolly Parton's Imagination Library program provides age-appropriate books to Catawba County's young children! At no cost to families, enrolled children receive one book in the mail each month until they reach the age of five. With this gift, they are more likely to be read to by their parents and caretakers, and they will be more ready for success in school because of developing a love of books and reading early in life.

We need your support to be able to provide this opportunity to as many children in Catawba County as possible. While this is a free service to Catawba County children, thanks to the support of the Dollywood Foundation, the cost to us is only \$25 per child per year. That's only \$2.08 per book! Our five-year goal is to have 7000 Catawba County children receiving these books in their homes each year. Please consider being an Imagination Library Champion with us.

Engage your civic groups, your clubs, your friends, and neighbors. It will take all of us working together to put books in the hands of Catawba County's youngest citizens! Your support will make a difference.

Yes, I would like to be an Imagination Library Champion!
