About the Catawba County Partnership for Children

The Catawba County Partnership for Children is a nonprofit agency that is focused on ensuring that children enter school healthy and prepared for success. We provide critical early childhood services such as NC Pre-Kindergarten (free pre-k), Imagination Library (free books for children), Children's Resource Center (child care resource & referral services), technical assistance and training for child care classrooms, and parent education and support. We also support families in need by stocking a number of Little Free Libraries with books and activities, and by providing Our Nest Diaper Pantry.

All gifts to the Catawba County Partnership for Children will be used to support early childhood programming right here in our community.

Our vision

Our projects and services focus on improving the quality and availability of local childcare options, helping parents afford and be connected with quality childcare, strengthening families through parent education opportunities, supporting early childhood teachers, promoting early literacy, and facilitating a smooth transition to kindergarten.

Why Give?

The work of the Catawba County Partnership for Children is rooted in the significant amount of brain development research that confirms the importance of the first five years of life. Brains are built, and not born. The quality of experiences - interactions - relationships - and physical environments of children in their first 2000 days have a direct and profound impact on that child's long term outcomes.

It is our job to ensure that all children have access to the resources, services, and experiences to create that strong foundation for all future learning.

How can you support the Catawba County Partnership for Children Endowment?

You can ensure the continuation of our mission in many ways: your gift or pledge to the fund; your gifts in memory or in honor of friends and family; or your thoughtfully planned bequest.

All contributions support our goal to build a strong endowment for the future. All gifts are tax-deductible to the fullest extent allowed by law. Some types of gifts for you to consider include:

- CASH GIFTS**
- SECURITIES OR REAL ESTATE**
- WILLS OR BEQUESTS**
- RETIREMENT PLAN ASSETS**
- CHARITABLE TRUSTS**
- LIFE INSURANCE**

The Catawba County Partnership for Children Endowment is managed through the North Carolina Community Foundation.
